Announcement

Direct Admission 1-1 (Academic Year 2026)

Bachelor of Science in Digital Technology and Integrated Innovation (International Program)

International Science Programs (ISP)

School of Science

King Mongkut's Institute of Technology Ladkrabang (KMITL)

The School of Science at King Mongkut's Institute of Technology Ladkrabang (KMITL) invites qualified applicants with background knowledge in science, mathematics, statistics, programming, or any technology-related fields to apply for admission to the Bachelor of Science in Digital Technology and Integrated Innovation (International Program) for the 2026 academic year. The selection of candidates will be based on their academic records, standardized test scores, English proficiency test results, interviews, and other supplementary documents.

1. Program and Number of Acceptances

The program's teaching and learning activities are conducted entirely in English. This admission round is open for 10 students, but the School of Science may accept a lower or greater number of students depending on the number of qualified applicants.

2. Applicant Qualifications

2.1 Educational Background

To be eligible for admission, applicants must satisfy at least one of the following requirements:

1. Be a graduate of or currently in the final year of Matthayom 6 (Thai education system) or grade 12 (US education system) or grade 13 (British/IB education system) or equivalent.
2. Be a graduate of or currently studying at an accredited college or higher education institution in Thailand or abroad.

3. Have obtained or be expected to receive a qualification equivalent to Matthayom 6 or passed a high school equivalent standard test approved by the Ministry of Education before the start of the 2026 academic year.
4. Have obtained or be expected to receive a General Educational Development (GED) Credential with a minimum score of 145 on all 4 subjects.

Applicants must provide a final official transcript and an official high school diploma and/or a certificate of completion from their school before the start of the 2026 academic year.

2.2 Academic Records

2.2.1 Applicants must have a cumulative grade point average (GPA) of at least 2.00 out of 4 or equivalent.

2.2.2 (optional) Applicants may submit at least one of the following test scores for consideration:

- SAT general test score of 1020 or higher
- GSAT score of 1020 or higher
- ACT composite score of 19 or higher
- IB Diploma score of 28 or higher
- Any national higher education board exam result (e.g. A-Level, Gaokao, TGAT/TPAT, etc.) that the admission committee considers equivalent to one of the above qualifications.

2.3 English Language Requirement

Applicants must submit at least one English proficiency test score, such as, TOEFL-paper-based, TOEFL-CBT, TOEFL-IBT, IELTS, KMITL-TEP, TOEIC, CUTEP, etc. The test score must not be older than 2 years on the application deadline.

2.4 Statement of Purpose

Applicants must submit an English essay (650 words or fewer) that demonstrates applicant's ability to communicate applicant's thoughts and related experience in the field of study. The essay should describe why applicants are interested in the Digital Technology and Integrated Innovation program.
