4. Application method

The online application can be found at: https://new.reg.kmitl.ac.th/admission/. The application fee is 500 Baht and can be paid to the KMITL account at Kasikorn Bank. The invoice for this fee can be printed from the application process system, and the fee can be paid via two channels as shown below:

1. Via mobile Banking app by scanning the barcode (no fee for making the payment); Or

2. Paying at a bank teller counter of any Kasikorn Bank in Thailand with a 10 Baht fee. Paying at a counter of any other bank may incur an additional payment fee.(Application fees are not refundable and KMITL will not be responsible for any loss from making payment by methods other than those stated above)

After the application fee has been paid, the website: https://new.reg.kmitl.ac.th/admission/ will show a **"paid"** status where applicants have filled in the required information and shall upload their supporting documents, including their portfolio at: https://forms.gle/vm7UJVLesqkZAjbC7

For overseas applicants, portfolios can also be sent via email to atcharaphorn@it.kmitl.ac.th.

5. Supporting documents

5.1   A photocopy of the applicant's transcript showing his or her GPA.

5.2   A photocopy of the applicant's high school certificate or a document verifying the equivalence of his or her certificate to a high school certificate, from the educational institute that he or she is attending or has attended.

5.3   A signed photocopy of the applicant's citizen ID card or passport showing the day, date, month, and year of birth as well as the expiration date.

5.4   A supporting document from the applicant's educational institute (if available).

5.5   A photocopy of the applicant's score in Mathematics.

5.6   A photocopy of the applicant's score in English.

5.7   An A4-size portfolio in English (not more than 10 pages, excluding the cover).

Applicants are responsible for checking, confirming their admission qualifications and filling out valid information. In the case of any mistakes made by the applicant or in the case that the student's submitted official documents do not match those in the application announcement from King Mongkut's Institute of Technology Ladkrabang, it will be held that they lack the required qualifications in the first place. The Faculty of Information Technology, King Mongkut's Institute of Technology Ladkrabang reserves the right to decide and select applicants to be admitted into the Institute.

6. Selection method

      6.1   Interview result, and

      6.2   Test scores, as stated in 2.2 and 2.3

7. Confirming clearinghouse rights

A passed applicant must confirm his or her clearinghouse right on May 4-5, 2023, through the system of The Council of University Presidents of Thailand to show his or her intention to be a KMITL student. If the passed applicant has not done so by those dates, his or her admission right will be canceled.

8. Applicant's reporting to the institute and paying the admission fee to confirm their admission right:

An applicant who has passed the selection process with the clearing-house and admission rights into KMITL must report himself or herself to the Institute via www.reg.kmitl.ac.th, and pay the admission fee (which includes the tuition fee for the first semester) by following the instructions in the notification from the institute regarding payment to confirm the admission right into the institute dated 2 March 2012. If the applicant has not made this payment to confirm his or her admission right by the specified time, it will be taken that his or her admission right is canceled.

In the case that the applicant has already reported himself or herself to the institute via the Internet and paid the admission fee but, later on, wishes to cancel his or her admission right, the institute will not refund the fee for any reason whatsoever.

After an applicant has confirmed his or her intention to be admitted into the institute and has already paid the admission fee, he or she will not have to pay any lump-sum tuition fee for the first semester. The admission fee payment covers the lump-sum tuition fee payment for the semester.

9. Cancellation of admission right

      9.1   Applicants who have passed the selection process but have not confirmed their clearinghouse rights by the specified time will be taken as canceling his or her admission right.

      9.2   The admission right will be canceled for applicants who have passed KMITL's selection process but have not reported themselves to the institute via the internet, and have not paid the admission fee to confirm their right by the specified date.

9.3   The admission right will be canceled for applicants who have passed KMITL's selection process but have not successfully graduated from his or her attended educational institute in the educational year that he or she has specified.

10. Tuition fee

An admitted applicant must pay a lump-sum tuition fee of 70,000 Baht per semester. The Institute will not refund this fee for any reason whatsoever.

Announced on Febuary 13, 2023
